SMALL BUSINESS

Who We Are

Lot 9 LLC is a Service-Disabled Veteran-Owned Small Business founded in October 2022. The company began serving the veteran community in e-commerce, expanded into local service operations, and moved into information technology through a managed IT and live-streaming engagement we still deliver today. Our federal focus is **business-to-government technology resale**. Lot 9 is **primarily engaged in the retail and wholesale trade** as an established **dealer and reseller of IT hardware and software, communications and radio equipment, and medical equipment**, supplied to federal agencies through authorized OEM and national distribution channels.

Our value is straightforward: we bring the catalogs of major OEMs and national distributors into set-aside channels those large firms cannot bid directly.

Core Competencies

- **IT Hardware, Software & Cloud Resale** — enterprise licensing, SaaS and subscription renewals, cloud services, and OEM hardware via authorized distribution
- **OEM Maintenance & Support Renewals** — manufacturer-certified hardware maintenance and warranty renewals (Dell EMC, HPE, Cisco, NetApp)
- **Medical Equipment** — ultrasound, patient monitoring, EEG/ECG, exam and treatment furniture, pharmacy refrigeration, and dental equipment for VA
- **Communications Systems** — land mobile radio (LMR/P25), satellite terminals and airtime, and radio accessories for federal facilities

Differentiators

- ▶ **SBA VetCert—certified SDVOSB and VOSB** — listed in the SBA certification database, not self-certified; eligible for VA Rule-of-Two set-asides under VAAR 852.219-73/74 and for SDVOSB, VOSB, and small-business set-asides
- ▶ **Authorized distribution, drop-ship delivery** — Lot 9 takes ownership of the end items and ships direct from the OEM or distributor to the government site — no intermediate warehousing or delay
- ▶ **Dell Technologies Authorized Partner** — sourcing Dell hardware, software, and services through Carahsoft, our sponsoring distributor
- ▶ **Documented, measurable delivery** — multi-year client engagement with published year-over-year performance reporting
